YOGA LOCK BASIC

miltex

Modular system that can be extended as required. Suitable for industry, warehouses or workshops.

Sizes:
71 cm × 78 cm
(center piece, end piece, single mat)

Thickness: 13 mm
Weight: 5,1 kg / m²

Surface:
nubs with diamond pattern design, closed
Material:
natural rubber (NR)
Hardness: 55° ±5 shore A

Slip resistance:
normal / R9 (DIN EN 16165)
Displacement space:
V10 (DIN 51133)

Characteristics

- the cavities on the bottom in combination with the diamond structure nubs on the surface makes YOGA LOCK BASIC a very ergonomic workplace mat
- modular-system that can be extended in length and can be driven on (hand truck, hand cart etc.)
- beveled edges on all sides reduce trip hazards
- acts noise-insulating and is insulating to cold floors
- ideal for dry working areas: at assembly lines, workstations at machinery, storage areas (corridors and passageways) and sales counters

Cleaning Instructions
High pressure cleaner or industrial dry vaccum cleaner are ideal for an accurate cleaning. For a simple and quick cleaning you can also wash it down with water or simply sweep it off.

Installation
The several center and end pieces are dovetailed on their long sides. Therefore they can be easily assembled and disassembled. Fixing or gluing is not necessary.
