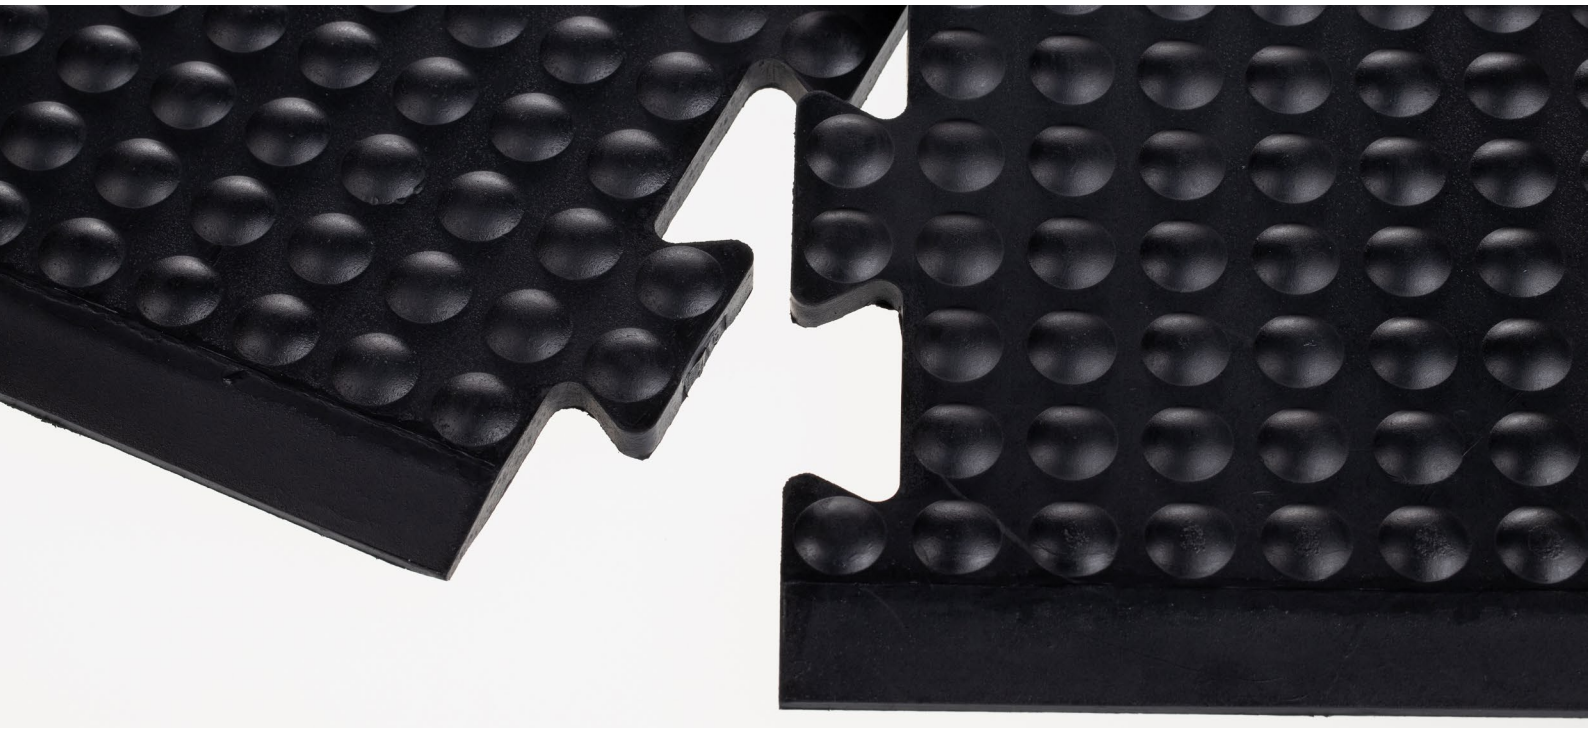
YOGA FLEX OIL

YOGA FLEX OIL can be extended unrestricted in length and is therfore suitable for long assembly lines in heavy industry or places, where oils run out.



Sizes:
80 cm × 70 cm (center piece)
80 cm × 30 cm (end piece)
60 cm × 90 cm (single mat)
Special sizes on request

Thickness: 13 mm
Weight: 11 kg / m²
Hardness: 50° ±5 Shore A

Surface:
round nubs, closed
Material:
25 % natural rubber (NR)
75 % nitrile rubber (NBR)

Characteristics

- several center pieces can be extended accurately and unrestricted to a rug
- resistant to greases, oils and chemicals (please request a test sample)
- extremely hard-wearing and abrasion-resistant
- the nubs provide elasticity, so that YOGA FLEX OIL stimulate the feet and promotes blood circulation
- air cells on the bottom of the mat ensure high ergonomic comfort
- temperature-resistant (–30 °C to +60 °C)
- beveled edges on all sides reduce trip hazards
- cost-efficient, because individual elements can be replaced when worn or damaged

Cleaning Instructions
Sweeping, vacuuming or wiping. For wet wiping make sure that a gentle cleaning agent (with a pH value between 4 and 9) is used.

Installation
The several center and end pieces are dovetailed on their long sides. Therefore they can be easily assembled and disassembled.
