

YOGA METER BASIC

A soft, bouncy workplace mat for dry areas where people work for a long time walking or in a standing position.

Sizes:

60 cm × 90 cm
90 cm × 150 cm
90 cm × max. 18,3 m
120 cm × max. 18,3 m

Thickness: 9 mm

Weight: 3 kg / m²

Surface:

longitudinal grooves, closed

Material:

polyvinyl chloride (PVC)

Slip resistance:

very good / R11 (DIN 51130)

Characteristics

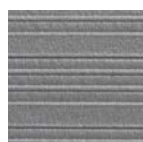

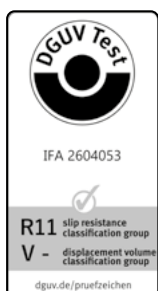

- millions of air cells in the material ensure a very good bouncing effect, which creates a physiological correct suspension and therefore prevents tired legs and back pain.
- free of silicone, well-adhering workplace mat which quickly lies flat on the floor
- beveled edges on all sides to reduce trip hazards
- insulates excellently against cold floors
- temperature-resistant up to +60 °C
- ideal for large areas, for instance at assembly lines, work benches or packaging areas

Cleaning Instructions

The dense surface with longitudinal grooves can be easily swept off or wiped off with a moist cloth.

Installation

Aids, which are needed for laying: box cutter, meter rod/measuring tape (only if you need to adjust it). YOGA METER BASIC has not to be fixed or glued.
