

YOGA GRIP ULTRA

Special nubs on the surface ensure maximum slip resistance.
Especially suitable for damp or wet working areas, indoor and outdoor use.

Sizes:

50 cm × 50 cm

Thickness: 16 mm

Weight: 4,7 kg / m²

Surface:

octagonal perforations
with tiny nubs

Material:

polyvinyl chloride (PVC)

Slip resistance:

very good / R10 (DIN EN 16165)

Displacement space:

V10 (DIN 51130)

Accessories:

edging strips, corners
in black or yellow

Characteristics

- the mini nubs on the surface ensure maximum slip resistance
- ideal for places, where liquids are often spilled
- the modular system allows the covering of large areas
- the special construction from YOGA GRIP ULTRA and the additional strips and corners are perfect for use in finishing/assembly areas, laboratories, storage areas, terraces and cold stores
- resistant to most chemicals, oils and fats (please request a test sample)
- temperature-resistant (−23 °C to +60 °C)
- sound and shock absorbing

Cleaning Instructions

Just sweep or vacuum it, then spray with detergent and clean with a brush or simply use a high pressure cleaner.

Installation

Concatenate the connectors with the tiles. By hitting them with a rubber mallet, they snap into place easily and securely.
