

EASY CARE SCRUB

Very slip resistant mat that can withstand extreme weather conditions such as snow and rain. Suitable for all entrance areas.

Sizes:

40 cm × 60 cm
80 cm × 120 cm
100 cm × 150 cm

Thickness: 22 mm

Weight: 13,4 kg / m²

Surface:

perforated,
round holes

Material:

natural rubber (NR)

Hardness: 55° ±5 Shore A

Accessories:

circular brushes,
connectors,
strips with corners

Characteristics

- the rubber content of the mat consists of 100 % natural rubber
- available with circular brushes, for better dirt removal from the soles of shoes
- hard-wearing and insensitive to temperature, can also be used on wet surfaces
- very good water drainage due to existing rubber studs on the underside, at the same time large gaps serve as dirt reservoirs
- due to their high own weight, the mats lie securely and firmly on any surface
- resistant to mechanical loads
- custom-made products are possible
- the installation of strips ensures a reduced risk of tripping

Cleaning Instructions

For quick cleaning brushing is sufficient.
If it is necessary, wash it with water.

Installation

Using connectors, large areas
can be equipped.

black
